Description: Released by Hearpen on cd in October 2000. Check this [link](#) for more details. The technical audio quality is fan bootleg. It was recorded on a cassette, probably by Jim Jones who can be heard talking during the show a la Max's Kansas City. His "Te deum / Te deum / Tedium" routine is charming.

Band:

David Thomas - vocals, harp
Peter Laughner - guitar, vocals, bass
Tom Herman - guitar, bass
Tim Wright - bass, guitar
Dave Taylor - EML synthesizer, Ace Tone organ
Scott Krauss - drums
