Description: Second half of the set from the Paradiso, Amsterdam, on July 14 1991. Source: Very Good Professional Cassette. The band played 31 songs this night. A very rare performance, about 2 hours worth. For the record the final two songs have been left off because David, thinking they'd "overstayed their welcome," stops Like A Rolling Stone before it really gets started and then sends the band into a somewhat rushed Street Waves to end. Otherwise it's Pere Ubu having a great time and in fine form.

Band:

David Thomas - vocals and musette
Jim Jones - guitar
Eric Drew Feldman - synthesizers
Tony Maimone - bass, guitar
Scott Krauss - drums
