Description: This is known as the Lost Band, recorded during a tour promoting Story Of My Life and supporting They Might Be Giants. Earlier in the day Pere Ubu played with TMBG and NRBQ in Central Park, New York City, and then went off on their own to do two shows at The Knitting Factory. This, then, is the third show of the day. Following the loss of Eric Drew Feldman to The Pixies, Garo Yellin, from The Ordinaires, was recruited to join the band in April 1993. He recorded 4 demo tracks for what was to become Raygun Suitcase but commitments to The Ordinaires meant he had to be replaced in May 1994.
