Description: Recorded at The Shed, Hovingham, England, November 19 2005. The Shed is one of the best venues in England. Over the years it's moved from one village hall to another in the dales southeast of York. Two hundred or so people drive one lane roads through the coal-fire-fragrant night to get there. This was a very special performance. The tour was promotion for the album 18 Monkeys On A Dead Man's Chest by David Thomas and two pale boys.

The "18 Monkeys..." cd is available from Ubutique.
