Description: This is one fired-up performance from beginning to end, always on the edge of falling apart but never doing so. Wired. Cranked guitar. Great sound. From the Why I Hate Women tour of Europe, it was recorded in the Kranhalle, Feierwerk, Munich, on October 10 2006. Gagarin was the soundman. The entire show is here with only a bit or two cut from between songs. A classic Pere Ubu concert.

Band:

David Thomas - vocals
Keith Moliné - guitar
Robert Wheeler - EML synthesizer, theremin
Michele Temple - bass
Steve Mehlman - drums

A PDF of liner notes is included in the download.
