Description: This is the second album recorded with Richard Thompson. Released in 1983 on Rough Trade, it also marks the beginning of the partnership with Lindsay Cooper and Chris Cutler that would yield the following album, 'More Places Forever.' These tracks are the remix that David Thomas undertook in 1989 and 1990 that also featured the addition of Jim Jones to a number of the tracks.

The extra track, a live version of 'The Egg and I,' is a radio broadcast with Alan Dunn playing accordion and Chris Cutler on drums.
